"Our association with the Greenwood Chamber of Commerce benefits our businesses in numerous ways throughout the year. The many events hosted by the Chamber bring in guests from out of town that stay at The Alluvian Hotel and Spa and participate in classes at the Viking Cooking School. In addition, the many retail promotions sponsored by the Chamber encourage locals and visitors throughout the Delta to visit our retail areas and Giardina's restaurant. Our employees benefit from the Chamber's many educational and leadership opportunities and pleased to be able to give back to our community through volunteer involvement in the Chamber. We are proud to be active members of The Greenwood Chamber of Commerce."
